12 16 20 PLP Permit Denial Overview.docx

All,

Good afternoon. The permit denial overview document was not previously posted. I placed the current version, dated 12 16 20, into the *Corps permit denial Nov 2020* folder on our Pebble Project SharePoint site. The document is also attached here for your reference. Please let me know if there are additional issues to address in this document. Also feel free to add text directly. As Palmer suggested during the meeting,
